## STYLIST

We don't believe in diets (everything in moderation is our mantra) but we appreciate that not everyone wants to stuff their face after the excess of Christmas. Step forward The Skinny Bakery, which delivers bite-sized cakes, brownies and cookies direct to your office. Using all-natural and healthier ingredients than your average sweet treat, each cake or bake (many of them gluten-free) comes in at under 200 calories or less, and actually tastes good.
